

The Love of God

The love of God is greater far than tongue or pen can ever tell

It goes beyond the highest star and reaches to the lowest hell

The guilty pair bowed down in care, God gave His Son to win

His erring child He reconciled and pardoned from sin

CHORUS

Oh love of God, how rich and pure

How measureless and strong

It shall forevermore endure

The saints and angels song

Could we with ink the ocean fill and were the skies of parchment made

Were every stalk on earth a quill and every man a scribe by trade

To write the love of God above would drain the ocean dry

Nor could the scroll contain the whole though stretched from sky to sky

CHORUS 2x's

Oh, the love of God

Gettin' Ready Today

I wanna move from this world of fear
I'm getting tired of living down here
I wanna go home where the winds of sorrow never blow
Far from the sadness of the tomb
far from the darkness and the gloom
I wanna go home when death demands my tattered soul

CHORUS

I'm getting ready today I'm pulling out tomorrow
Gonna say goodbye to earthly sorrow
I'm looking for a mansion fair
I see the lights I'm almost there

I wanna go home when life is through
Moving up to heaven where dreams come true
I kinda get thrilled thinking about the glory we will share
I'm gonna see loved ones who are gone
Gonna see the King upon His throne
I'll never return to this old life when I get there

CHORUS

I see the lights I'm almost there

CHORUS 2x's

I see the lights I'm almost there, almost there.

In My Wildest Dreams

John saw a holy city built by God for all the saints to share
Homecoming gathering in that city four square
There the Lamb provides the golden light so there can be no night
No I've not seen but I imagine in my wildest dreams

It's said that there angelic hosts proclaim that He is King of Kings
And sainted millions let His praises ring
And there pure golden streets reflect the sights of mansions glistening bright
I've not seen but I imagine in my wildest dreams

CHORUS

It's the story told by a thousand tongues
It's the land we sing of in a thousand songs
Though I believe still I just can't conceive
All that heaven means in my wildest dreams

Then the King of glory left the throne and He came to Galilee
To suffer heart ache, pain, and misery
Upon the cross He died but He left the grave
So we all could be saved
Though I've not seen and it's hard to imagine
In my wildest dreams

When my life is through and I've done all I can do
I'll be going to a place where all my dreams come true

CHORUS

TAG

Though I believe (though I believe) still I just can't conceive
All that heaven means in my wildest dreams

IF JESUS IS THERE

When to the Lord I did pray, He took my burdens away
That's why I'm singing today, I'm happy in Him
Though skies above me are gray, His Word I'll ever obey
At His dear side I will stay 'til Heaven I win

CHORUS

Lead Part

I'll be happy no matter where it may be if Jesus is there
Over yonder it will be Heaven for me if Jesus is there

Bass Part

I'll be oh so happy, just beyond the river
No matter where it may be, if Jesus my Lord is there
In that bright tomorrow, there'll be no sorrow
It will be Heaven for me, if Jesus is there

Tenor & Alto Parts

Be happy, forever, just over, the river
No matter where it may be, if Jesus my Lord is there
In Heaven, tomorrow, there'll be no more sorrow
It will be heaven for me, if Jesus is there

There is a city above where we shall live in His love
There with the heavenly dove, and angels so fair
In that sweet home of the soul, we'll live while ages shall roll
When Heaven's gates shall unfold, my Lord will be there.

CHORUS 2x's

Paid in Full

Surrounded by an angry mob that filled the temple square

Caught in sin, she'd been condemned by a life of guilt and despair

Helplessly waiting for the stones to fall, she heard the Savior's voice

You are forgiven from the life you've been living...Go and sin no more

CHORUS

Paid in full, I've been redeemed

Sins washed away, finally free

He gave His life

I'm in chains no more . . .

Bought with a price

I'm paid in full

Bound by the pain and lost in the shame of a life of endless regret

Trying so hard to free myself from a past I couldn't forget

'Til I found a grace greater than sin, and the peace I'd been searching for

I've been forgiven from the life I was living and I owe it all to the Lord

If the Lord Wasn't Walking by My Side

I don't know just what I'd do
If the Lord wasn't walking by my side

When I was drifting (I was drifting on the sea of a despair)
and I was wondering (I was wondering in this old world of care)
When Jesus found me, (Jesus found me in my sinful life)
he heard me praying (he heard me praying on my knees at night)
Now I'm singing (Now I'm singing a brand new song)
because I'm happy (because I'm happy as I go along)
And I don't know just what I'd do
If the Lord wasn't walking by my side

What would I do, (What would I do when a tear fills my eyes)
what would I do (What would I do when it's my time to die)
Well I'd be lonely, discouraged
Burdened on the way
If the Lord wasn't walking by my side every day

I'd be friendless (I'd be friendless all alone and blue)
and I'd be helpless (I'd be helpless, wouldn't know what to do)
And I don't know (I don't know) just what I'd do
If the Lord wasn't walking by my side

(What would I do) What would I do when the tears fill my eyes
(What would I do) What would I do when it's my time to die
(I'd be lonely, discouraged, burdened on the way)
If the Lord wasn't walking by my side every day

I'd be friendless, (I'd be friendless all alone and blue)
I'd be so helpless (I'd be helpless, wouldn't know what to do)
And I don't know (I don't know) just what I'd do
If the Lord wasn't walking by my side every day

If the Lord (wasn't walking) wasn't walking by my side
(wasn't walking by my side)

I'll Keep Working, Watching, Waiting for the King

As I look at world conditions I will make this one prediction
It can't be long 'til Jesus comes again
World events have come together
and the stage is being set for God to bring these wicked kingdoms to an end

CHORUS

Jesus gave us signs to go by so we'd know the end is near
those signs are there in everything we see
I'm always looking up for our redemptions drawing near
I want to be found faithful when My Savior comes for me
I don't worry when the headlines tell of gloom and doom to come
I know God's still in control of everything
'Til He takes me home to heaven I'll stay on this road I'm traveling
I'll keep working, watching, waiting for the King

I don't fear what lies before me
I'll meet Jesus Christ in glory
'til then I'll trust His Word and follow Him (Follow Him)
I don't plan to get distracted by the devil and his tactics (ohh)
I'll keep working, watching, waiting for the King (ooo)

CHORUS

LAST CHORUS

Jesus gave us signs to go by so we'd know the end is near

I Stand in Awe

I've always wondered about the lepers who cried Lord have mercy on us
It's so hard to comprehend that with one touch they all were cleansed
But harder still to understand is why He reached out His hand
To pay the debt for all my shame and make me white as snow again

CHORUS

And I stand in awe that my Jesus paid it all
That He chose to hold my sin in His nail scarred hand
And then He washed away each stain
with the blood of Calvary's grace
Yes I stand in awe that my Jesus paid it all

I'll never know the depth of love that brought Him from His throne above
And led Him up that rugged hill to bear the load of all my guilt
But I know I once was lost 'til I knelt down at the cross
Now I stand in awe that my Jesus paid it all

CHORUS

Jesus paid it all, all to Him I owe

And then He washed away each stain
With the blood of Calvary's grace
And I stand in awe
Yes I stand in awe
That my Jesus paid it all, paid it all

Oh, I Want to See Him

As I journey through this land singing as I go
Pointing souls to calvary and to the crimson flow
Many arrows pierce my soul and turn my thoughts aside
But my Lord leads me on and through Him I can hide

When in service I may look toward the mountain high
And behold my Savior there leading in the fight
With a tender hand outstretched toward the valley low
Guiding me I can see as I onward go

CHORUS

Oh, I want to see Him look upon His face
There to sing forever of His saving grace
On the streets of glory let me lift my voice
Cares all past home at last ever to rejoice

When before me billows rise from the mighty deep
Then the Lord directs my path, He does safely keep
And he leads me gently on through this world below
Because He's a real friend to me, Oh, I love Him so

CHORUS 2x's

Cares all past, we'll be home at last ever to rejoice

One More Time

CHORUS

One more time (Jesus lifts my heavy burdens)
One more time He lightens up my load
In the night of deep despair my faith keeps telling me He's there
Waiting to answer prayer one more time

When my life was filled with disappointments
And the way ahead was hard to see
I've a friend who's never let me down yet
I just pray and ask him to help me

CHORUS

One more time (Jesus lifts my heavy burdens)
One more time He lightens up my load
In the night of deep despair my faith keeps telling me He's there
Waiting to answer prayer one more time

When my life was filled with joy and gladness
and the way ahead was bright and blue
I remember Jesus was the reason
For He helped me when I asked Him to

CHORUS 3x's

TAG

Waiting to answer prayer one more time

I'm Gonna Make It

Through so many dangers and toils of this life I have already come
But he keeps on giving the grace and the strength to just keep pressing on
He's given a promise and I'm gonna stand on every word His holy Word has
said

And holding His hand I'll never fear whatever lies ahead

CHORUS

I'm gonna make it, He's already said that I would
I'll keep on trusting, that He's working everything for my good
He walks beside me, and Heaven is in my view
Ohhh, I'm gonna make it through

In spite of the good intentions I've had sometimes my strength can fail
Though I have tried the very best that I could my weaknesses prevail
But then I remember the promise He made that in my weakness He is
strong

And that's when I know whatever may come His steady hand will lead me on

CHORUS

TAG

He walks beside me and Heaven is in my view
Ohhh, I'm gonna make it, He said I'll make it
I'm gonna make it through
I'll make it, And I'm gonna make it, I'll make it
I'm gonna make it through
